

# Wild Goose Corridor

## Madison - Fox River Valley

This 90-mile corridor is part of a major passenger and freight corridor linking Green Bay and the Fox River Valley and Madison and points further south and west. It is an important tourist corridor between the population centers in Iowa and the recreation areas of northeastern Wisconsin, including Door County. The corridor is also a major commuter corridor for the growing communities in Dodge County and northeastern Dane County.

**Legend**

- Principal Highways in Corridor
